

The seal of the University of Texas at San Antonio is visible in the background on the left side. It features a circular design with the text "UNIVERSITY OF TEXAS" at the top and "SAN ANTONIO" at the bottom. Inside the circle, there is a five-pointed star, a book, and a laurel wreath. The word "CIVITATIS" is also visible within the inner circle.

STRATEGIC DESTINATIONS

OUR VISION FOR 2018-2028

Model for Student Success

Great Public Research University

Exemplar for Strategic Growth & Innovative Excellence

AT A GLANCE

UTSA Established
1969

Enrollment
>34,000

Degree Programs
176

Faculty
1,474

R&D
Expenditures
\$141.5M

Economic Impact
\$2.5B

Total Alumni
>151,000

Institutional
Budget
\$717M

International
Agreements
155

Data as of 2022

RECENT ACHIEVEMENTS

UTSA attains Carnegie R1 Classification

This elite designation aligns the university with the nation's top public and private research institutions

Largest Freshman Class in UTSA History

34,344 students enrolled for fall 2022 semester, including a freshman class of 6,865

Carlos Alvarez College of Business

A \$20M gift from Carlos and Malú Alvarez establishes first named college at UTSA

Klesse College of Engineering and Integrated Design

A \$20M gift from Margie and Bill Klesse establishes second named college.

Membership in the American Athletic Conference

A preeminent league with a history of unprecedented success in intercollegiate athletic competition

\$500M BE BOLD Campaign Launch

Building the infrastructure and resources needed to achieve our three strategic destinations.

RESEARCH PILLARS

Digital Economy

AI & Machine Learning
Cloud & Edge Computing
Cyber Security
Data Science & Analytics
NexGen Wireless
Quantum

Fundamental Futures

Environmental Change
Earth & Space Sciences
Energy & Manufacturing
National Security & Defense
Smart Infrastructure

Human Health

Bioregeneration
Brain Health & Neuroengineering
Health Disparities
Human Performance
Infectious Disease
Precision Therapeutics

Culture & Inclusion

Cultural Sustainability
Digital Humanities
Disability Studies
Language & Literacy
Race & Ethnic Studies
Women & Gender Studies

Socio-Economic Transformation

Career-Engaged Education
Entrepreneurship
Human Development
Justice
Socioeconomic Equity

A world map with various regions highlighted in shades of blue and labeled with numbers. Mexico is highlighted in dark blue with the number 27. Other regions include South America (3, 2), Europe (2, 1, 7, 5, 4), Africa (1), Asia (1, 4, 1, 7, 8), and Australia (1). The text 'INTERNATIONAL ACADEMIC AGREEMENTS' is overlaid on the map.

INTERNATIONAL ACADEMIC AGREEMENTS

DESIGNATIONS OF EXCELLENCE

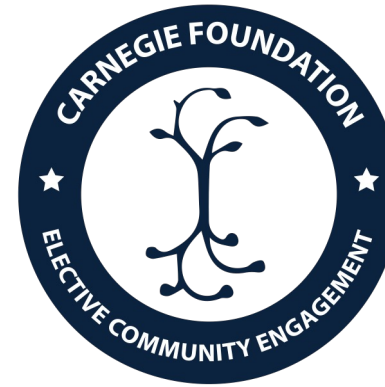

Tier One Research Classification

Recognizes UTSA as
one of USA's top 4%
research institutions

Excelencia in Education Seal of Excelencia

Recognizes UTSA's
leadership in
advancing Latino
student success

Community Engagement Classification

Highlights UTSA's
commitment to serving
the San Antonio region

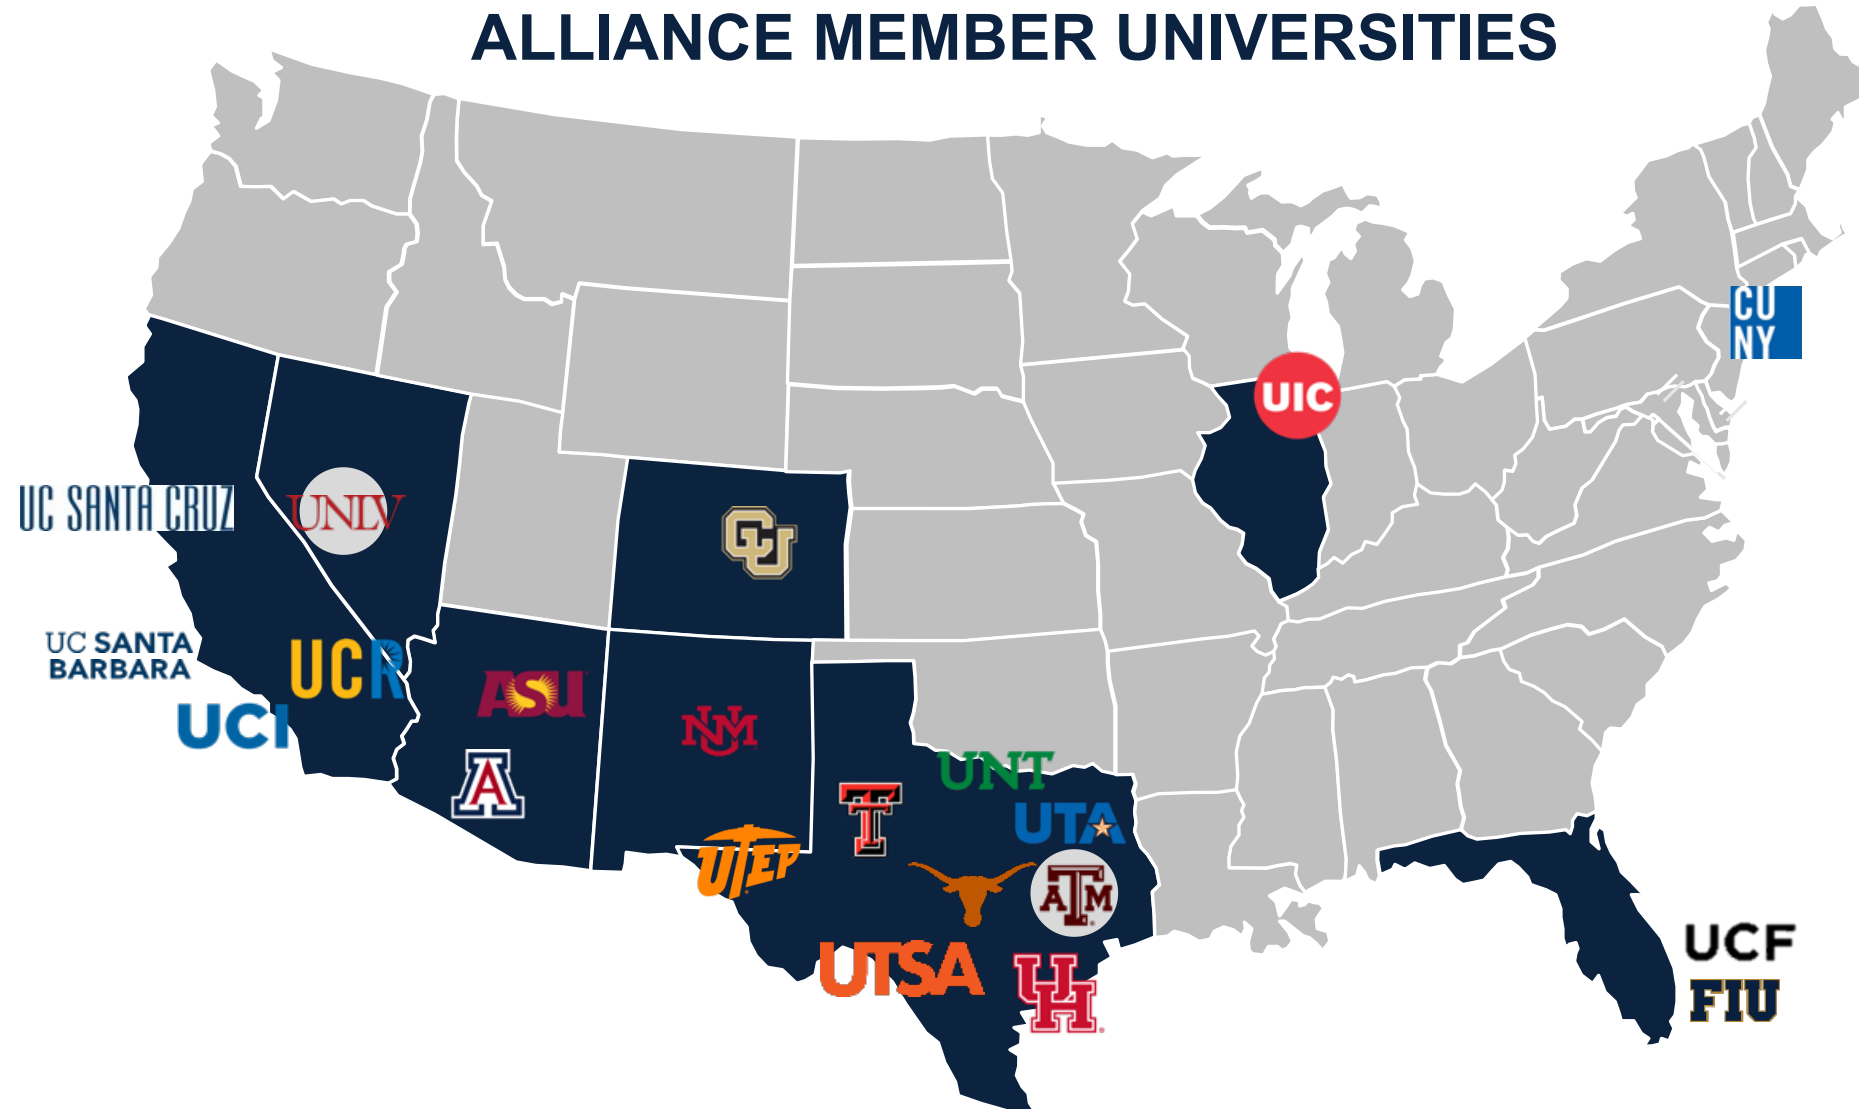

Innovation & Economic Prosperity University

Recognizes UTSA's
leadership in fostering
economic growth,
prosperity and innovation.

SAN PEDRO I

UTSA DOWNTOWN CAMPUS

Preparing tomorrow's data scientists

- Computer Science
- Information Systems & Cyber Security
- Mathematics & Statistics
- 5G Technology
- Artificial Intelligence
- Quantum Computing
- Electrical & Computer Engineering
- Open Cloud
- Bioinformatics

SCHOOL OF DATA SCIENCE

14+ Degree & Certificate Programs

Academic Partners Include:

- Alvarez College of Business
- College of Science
- Klesse College of Engineering & Integrated Design
- University College

9+ Strategic Partners

INTENTIONAL COLLISION

3+ University Level Institutes

- Matrix AI Consortium
- Open Cloud Institute
- The Cybersecurity Manufacturing Innovation Institute

16+ Capability & Domain Labs, including:

- Cyber-Informed Engineering
- Internet of Things
- Machine Learning
- Secure AI
- Bioinformatics Research
- Computational Biology
- Next Generation Census

NATIONAL SECURITY COLLABORATION CENTER

6+ Strategic Partners

5+ DOE Partners

6+ Federal Partners

UTSA's School of Data Science - Community of Practice:

UC Berkeley | NYU | Rice | Stanford | Michigan | UNC | Virginia | Washington | Wisconsin
