

F-1 Non-Degree-Seeking Student Request Form

General Information for UTSA Inviting Departments

Non-degree students enroll in the nontraditional programs, which lead to the attainment of specific educational or professional objective (e.g. for continuing education, personal enrichment, background requirements, work development skills, additional requirements of the academic program, etc.) A program certificate or a course credit is normally awarded upon completion of these programs. These programs must constitute full course of study.

Full course of study, according to the Federal Regulations, is defined as : (A) if a non-degree program is done at the undergraduate level, a student would be bound by the 12 credit per semester requirement; (B) if a non-degree program is done at the graduate level, the graduate study requirements of UTSA will be the factor for determining whether the program is considered as a full course of study or not, for example, 9 credit hours is considered a full-time graduate course load during the coursework phase of a graduate program (C) If a non-degree program is an individually-tailored program, full course of study must consist of at least twelve clock hours of instruction a week or its equivalent. The study may include Intensive English language training, classroom instructions, research projects, and/or academic training to the extent permitted according with the federal regulations.

UTSA Inviting Department must provide program description in terms of OIP guidelines when submitting this form to the OIP. Please contact us at 7266 or 8510 to schedule a consultation, if necessary.

All F-1 Visa students, once in the U.S., must schedule a mandatory orientation appointment with Office of International Services.

Please allow at least one (1) week for processing. Questions, please call ext. 7266 or 8510.
