1. Cooperation - A general agreement used to establish the intent between UTSA and a comparable international institution to cooperate in areas of mutual benefit to both institutions.

2. Affiliation - An agreement used to establish a relationship of a more defined and continuing nature. Under this Agreement, the types of activities described may include the reciprocal exchange of students or faculty, collaborative research projects, exchange of publications, reports or other academic information, collaborative professional development, and other activities as mutually agreed.

3. Program - This agreement implements mutually agreed to activities between UTSA and the international partner. Programs may involve student exchange for research or study, faculty exchange, special programs, or degree program agreements.
